Maccabi Badminton Administration

Dear Colleagues,

I am writing to you unfortunately with news regarding the Corona Virus that has effected the world and the State of Israel.

The Ministry of Health in Israel has put out regulations regarding delegations coming and going from Israel, and the Municipal Administration has decided that now until further notice, we unfortunately have to cancel **all** delegations coming from overseas to Rishon LeZion.

I am aware that **delegations from overseas** are planned to arrive to Rishon LeZion for the International Badminton Games.

Please convey our regrets to the youngsters and we do hope that when this terrible virus passes us we will welcome them warmly with open arms.

Wishing all Good Health and our best wishes.

I remain sincerely yours,

Dudi Gil
General Manager
Municipality of Rishon LeZion
Israel
